"Our wedding at Hadden was an absolute dream! From the moment we arrived for our rehearsal until we left in our getaway car it was truly perfect. The Haddens thought through every single detail of their estate and our guests could not stop commenting on how beautiful it was. It was so spacious for the ceremony, cocktail hour, and reception, and even the noise in the reception ballroom was well controlled with no echoes. The bridal suite and grooms suite were perfect as well. Truly exceeded our expectations in every way!"
